

ABC Technologies Employee Handbook

Introduction

Welcome to ABC Technologies. This handbook provides employees with important information regarding company policies, work expectations, benefits, and workplace conduct. Every employee is expected to read and understand the contents of this handbook.

Company Overview

ABC Technologies is a software development company specializing in cloud applications, artificial intelligence solutions, and enterprise software systems. The company was founded in 2015 and has offices in Pune, Bengaluru, and Hyderabad.

Working Hours

Employees are expected to work from 9:00 AM to 6:00 PM, Monday through Friday. Employees should be available during core collaboration hours from 10:00 AM to 4:00 PM. Flexible work arrangements may be approved by managers on a case-by-case basis.

Attendance Policy

Employees are expected to maintain regular attendance. Repeated lateness or unapproved absences may result in disciplinary action. Employees should notify their manager as soon as possible if they are unable to attend work.

Remote Work Policy

Eligible employees may work remotely up to three days per week. Employees working remotely must maintain a stable internet connection and remain available during working hours. Company-issued laptops should be used for all official work.

Leave Policy

Employees are entitled to the following annual leave benefits:

- 20 days of paid vacation leave
- 10 days of sick leave
- 12 public holidays
- 5 days of personal leave

Leave requests should be submitted through the HR portal at least three working days in advance whenever possible.

Compensation and Payroll

Employee salaries are paid on the last working day of each month. Payroll is processed through direct bank transfer. Any payroll discrepancies should be reported to the finance department within five business days.

Performance Reviews

Performance reviews are conducted twice a year in June and December. Reviews evaluate technical skills, teamwork, communication, leadership potential, and achievement of goals. Employees who consistently exceed expectations may be considered for promotion.

Code of Conduct

Employees must maintain professional behavior at all times. Harassment, discrimination, bullying, or inappropriate workplace behavior will not be tolerated. All employees are expected to treat colleagues, clients, and partners with respect.

Information Security

Protecting company data is the responsibility of every employee. Employees must:

- Use strong passwords
- Enable multi-factor authentication
- Never share credentials
- Report security incidents immediately
- Lock devices when unattended

Failure to comply with security requirements may result in disciplinary action.

Data Classification

Company data is classified into the following categories:

Public Data: Information approved for public distribution.

Internal Data: Information intended for employees only.

Confidential Data: Sensitive business information that should only be accessed by authorized personnel.

Restricted Data: Highly sensitive information requiring executive approval for access.

Equipment Policy

Employees are provided with company equipment necessary to perform their duties. Equipment may include laptops, monitors, keyboards, and other accessories. Employees are responsible for maintaining equipment in good condition.

Training and Development

ABC Technologies encourages continuous learning. Employees are eligible for:

- Annual training budget of \$1,500
- Access to online learning platforms
- Internal technical workshops
- Leadership development programs

Employees should discuss training goals with their managers during performance reviews.

Expense Reimbursement

Business-related expenses may be reimbursed when approved in advance. Reimbursement requests must include receipts and be submitted within 30 days of the expense date.

Travel Policy

Employees traveling for business purposes must follow company travel guidelines. Economy-class airfare should be used unless otherwise approved. Hotel accommodations should be reasonably priced and aligned with company standards.

Health and Safety

The company is committed to providing a safe working environment. Employees should immediately report hazards, accidents, or unsafe conditions. Emergency evacuation procedures are posted throughout company facilities.

Probation Period

New employees are subject to a six-month probation period. During probation, performance and cultural fit will be evaluated. Successful completion of probation results in confirmation of employment.

Termination Policy

Employment may be terminated voluntarily or involuntarily. Employees resigning from the company are expected to provide at least 30 days notice. The company reserves the right to terminate employment for misconduct, policy violations, or performance issues.

Benefits

Eligible employees may receive:

- Health insurance
- Life insurance
- Retirement savings contributions
- Wellness program benefits
- Employee assistance programs

Benefits eligibility may vary depending on employment status.

IT Support

Employees experiencing technical issues should contact the IT help desk. Support requests are prioritized based on business impact and urgency.

Conclusion

This handbook is intended to help employees understand company policies and expectations. Employees should consult Human Resources if they have questions regarding any policy described in this document.
